Highlights

- Results at St. Dominic exceed provincial standards on key measures between 5.2% and 15.8%, which is largely consistent with previous years
- A significant increase of 5.6% in Citizenship reflects stakeholder feelings that students at St. Dominic are encouraged to try their best, be involved, follow the rules and respect each other.
- A decline in the Parental Involvement result, while still generally positive, reflects the degree to which parents are involved in decisions about the school

Faith Survey Results

Targeted Area

The staff of St. Dominic are actively collaborating to implement research that encourages teaching strategies which have been shown to have a high impact on student learning. Given the dynamic nature of each individual classroom, these are designed to be adaptable based on the needs of learners. These strategies are intended to add to and enhance the tools available to each teacher, and supplement existing skills.
